The Pigeon And The Ant

One day, an ant fell into a pond and could not come out. A pigeon saw him and decided to help him. He threw a leaf into the pond. The ant climbed on the leaf and came out of the pond. After sometime, a boy saw the pigeon and aimed a stone at it. The ant saw this and quickly climbed up his leg and bit it. The boy screamed. The pigeon heard the scream and flew away.

MORAL: A friend in need is a friend indeed.
